

Employers:

- 1. Have you ever hired a student with a special need?**
- 2. Would you consider helping a student with a special need by providing a workplace opportunity?**
- 3. What kinds of supports would you need to hire a student with special needs?**
- 4. Would you be willing to make the adaptations necessary to accommodate the student?**
- 5. Are you aware that funding is available to you if you hire a student with special needs? (For summer employment Human Resources Development Canada gives 100% wage subsidy and money for accommodation).**
