

Parent/Guardians:

- 1. Have you spoken to your son or daughter about the workplace and his or her plans after secondary school?**
- 2. Have you talked to your son or daughter's teacher about the necessary supports, should your son or daughter want a workplace experience while still in a supportive environment?**
- 3. Have you received any information about workplace experience from the school?**
- 4. Are you knowledgeable about your son or daughter's Transition Plan and Individual Education Plan and if the plan includes work experience?**
- 5. Do you feel that your son or daughter is independent enough to participate in a workplace experience? For example, does he or she book Wheel Trans on his or her own or access the community independently?**
- 6. Could he or she participate in a workplace experience if the necessary accommodations at the work site were available?**
