

SPECIALIST **HIGH SKILLS**

Halton District School Board MAJOR

White Oaks Secondary School **TRANSPORTATION**

Program Overview:

The concentrated OYAP/SHSM program offers first hand training in all four career pathway destinations, Apprenticeship, College, University and the Workplace, with Certifications in WHMIS, Standard First Aid, Adult CPR, and additional beneficial industry certifications.

This program will enable students to be prepared for industry identified knowledge, skills and certifications, as well as “reach ahead” and “on the job” learning opportunities focused within the transportation service industry. Students will be able to pursue a transportation apprenticeship, head to the workplace, enroll in college, or pursue university studies in the transportation industry.

Students will:

- be exposed to skilled trades and professional areas such as truck and coach, and motorcycle marine or in automotive engineering or design.
- be trained, using the latest technologies in industry
- establish contacts with industry leaders, learn first hand the skills that are required to be job ready on day one
- have the opportunity to earn dual-credits, accelerating your certification process

Course Package

- 4 in-school Transportation credits
- 1 coop placement related to Transportation (2 credits)
- 1 English Credit
- 1 Math Credit
- 1 Credit in Science or Business

Who would be interested in the program?

- any student with interest in the automotive field or with a love for cars
- students that appreciate an experiential learning environment
- like to learn by doing
- enjoy a collaborative, problem-solving approach to learning

Program Delivery Schedule:

The OYAP program runs September through to June. Students in the SHSM/OYAP program will start in their grade 11 year and join the concentrated OYAP program in their grade 12 year.
