What is an Apprenticeship?

Apprenticeship is a form of post-secondary education in which students..

- may earn while they learn.
- will be taught one on one by a certified auto body person.
- will be sent to take apprenticeship courses at college.
- will have the government pay approximately 80% of the their tuition.
- will have the opportunity to turn a blue collar job into a "gold" collar career.

Why consider Concentrated OYAP?

In Concentrated OYAP, students ...

- may shorten their apprenticeship.
- may get their foot in the door with a potential employer.
- may complete their first level of in-school apprenticeship training.
- may save thousands of dollars on similar courses offered at colleges and private vocational training centres.
- may still attend college or university if they have the entrance requirements.

What other training will I receive?

In the Auto Body + Collision Damage Repair, Automotive Painter Concentrated OYAP students will have the opportunity to earn certifications or awareness in the following:

- Standard First Aid
- Adult CPR
- Young Worker Awareness
- WHMIS

What is Concentrated OYAP?

- **Auto body + Collision Damage Repairer, and Automotive Painter Concentrated OYAP** is specifically designed to help secondary school students make a smooth transition directly into the post-secondary apprenticeship program.
- Concentrated OYAP allows secondary school students to begin their Auto body + Collision Damage Repairer, or Automotive Painter post-secondary Apprenticeship while still in secondary school.
- Concentrated OYAP is also designed to help prepare students for academic success in the apprenticeship courses usually taught at college.
- **Robert Bateman High School is the only school in Halton** to offer this excellent program to prepare students for the Auto Body area.
- Similar courses are offered at both colleges and private vocational training facilities, at a much higher cost.
