

# Electrical Dual Credit Concentrated OYAP Pathways

Please note: Any students wanting to pursue College, University or for those that wish to combine either College or University with an Apprenticeship, must take the appropriate admission required University, University/College or College destination pre-requisite courses.

## What is an Apprenticeship?

In an Apprenticeship students will ...

- earn while they learn.
- be taught one on one by a certified electrician.
- be sent to take apprenticeship courses at college.
- have the government pay approximately 80% of the their tuition.
- have the opportunity to turn a blue collar job into a "gold" collar career.

## Why consider Dual Credit Concentrated OYAP?

In Concentrated OYAP students may ...

- shorten their apprenticeship.
- get their foot in the door with a potential employer.
- save thousands of dollars on similar courses offered at colleges and private vocational training centres.
- attend college or university after graduating; if they have the entrance requirements.
- earn credits from Sheridan College which can be used in the Electrical Technician or Technology programs

## What other training will I receive?

**In the Electrician Concentrated OYAP** students will have the opportunity to earn the following additional certifications or awareness:

- Standard First Aid
- Adult CPR & AED
- Young Worker Awareness
- ESA Tag-out/lockout

Construction Safety Association of Ontario (CSAO) certifications or awareness in:

- Health and Safety Basic
- Fall Protection
- Construction WHMIS
- Elevated Platforms

## What is Dual Credit Concentrated OYAP?

- **Electrician Concentrated OYAP** is specifically designed to help secondary school students make a smooth transition directly into the post-secondary apprenticeship program.
- Concentrated OYAP gives secondary school students the opportunity to begin their post-secondary Electrician Apprenticeship while still in secondary school.
- Concentrated OYAP is also designed to help prepare students for academic success in the apprenticeship courses usually taught at college.
- **Bishop Reding Catholic Secondary School is the only Halton school** to offer this unique opportunity. Students will study the first level of in-school Electrician apprenticeship curriculum as outlined in the Ministry of Training, Colleges and Universities Curriculum Guideline.
- Similar courses are offered at both colleges and private vocational training facilities, at a much higher cost.

## How can I get more information?

Visit your School to Career Guidance contact. They will provide information about:

- Concentrated OYAP programs.
- parent / student School to Career Information Evenings.
- visiting a Concentrated OYAP facility to see the program in action.
- the Concentrated OYAP program application process
- Visit: [www.schooltocareer.ca/oyap](http://www.schooltocareer.ca/oyap)
- To register go to [www.onsorts.ca](http://www.onsorts.ca) or contact
